## **OFFSHORE OILFIELD SUPPORT VESSELS AND EQUIPMENT**

---

June 2019

**NOTIFICATION OF UPCOMING AUCTION OF OFFSHORE OILFIELD  
VESSELS AND EQUIPMENT LOCATED IN BERWICK, LA, USA.**

---

## 1 OFFSHORE OILFIELD SUPPORT VESSELS AND EQUIPMENT AVAILABLE FOR SALE

M&E Partners LLC and DMC Ltd are pleased to present for sale an inventory of offshore oilfield support vessels and equipment on behalf of Sellers.

Sellers are inviting interested parties to purchase these assets by way of an online and onsite auction process to be held on June 28<sup>th</sup> 2019. Details of the auction process and lots will be circulated to Buyers prior to the auction which is to be hosted by HilcoBid with an onsite facility available for Buyers to attend in Louisiana, USA.

The outline inventory of assets is provided below, and further details are available on request.

## 2 OFFSHORE OILFIELD SUPPORT VESSELS

The inventory of vessels available for sale comprises five (5) ships and one (1) barge which will be sold to the highest bidder on an “as is where is” basis. Outline details as follows:

Vessel	Official No	IMO No	Year Built	Class	Flag	Status
Cal Diver I	555055	732671	1974	ABS	USA	Class suspended, laid up
Midnight Star	398	7395636	1975	ABS	Vanuatu	Classed, laid up
Mystic Viking	800547	8209377	1983	DNV GL	Bahamas	Classed, laid up
DC IV	1104180	8964381	1998	ABS	USA	Classed, in operation
DC Dancer	586595	7644221	1977	ABS	USA	Classed, laid up
Rider		8768488	1996	ABS	USA	Classed, laid up

### 2.1 Cal Diver I

The “Cal Diver I” is a 184ft (56m) LOA vessel with 2x main engines producing 4,000HP total and included accommodation for 40 persons and a 6-man saturation diving system. The vessel is equipped with 19t crane and 4-point mooring.

*Cal Diver I*

## 2.2 Midnight Star

The Midnight Star is a 197ft (60m) diving support vessel with 6-man saturation system and hyperbaric rescue chamber. She has accommodation for 42 persons, has 2x main engines producing 7,200HP total and is fitted with 4-point mooring and 18t crane.

*Midnight Star*

## 2.3 Mystic Viking

The Mystic Viking is a 252ft (76m) LOA DP2 vessel with accommodation for 57 persons, a CAP 437 compliant helideck and 50t main crane. Two main engines produce 5,400HP total with direct connection to two controllable pitch propellers. The vessel also has twin bow and twin stern thrusters.

*Mystic Viking*

## 2.4 DC IV

The DC IV is a 120ft (36.6m) LOA utility vessel with twin engines producing 2,880HP total and can accommodate 21 persons.

*DC IV*

## 2.5 DC Dancer

The DC Dancer is a 172ft (52.7m) twin engine (producing 3280HP total) air diving support vessel with four-point mooring, 30t deck crane, and 36 berths.

*DC Dancer*

## 2.6 Rider Barge

The Rider is a 260ft (79m) LOA pipelay barge outfitted with 8-point mooring to operate in water depths of 400ft (121m). She has accommodation for 88 persons, 26ft x 26ft helideck, and air diving spread.

*Rider Pipelay barge*

### 3 OFFSHORE OILFIELD SUPPORT EQUIPMENT

In addition to the vessels listed above, Sellers are making a large inventory of offshore oilfield support equipment available for sale in the aforementioned auction. The following list of the lots available is provided for guidance and please note that the content and lot order may be subject to change prior to the auction.
